

Fun in the Sun 2017

Option Descriptions for Wednesday

Bow Safety / Archery - Basic archery techniques and safety will be taught, followed by lots of hands-on experience.

Creative Dance – If dance is your passion, you will be learning a routine that you'll get to perform in evening worship.

Creek Stomping – The name says it all! What better fun than to see what you can find in the creek at Carson Springs.

Disc Golf – Carson Springs has 9-hole disc golf course ready for us to use! Those campers with the top 3 scores will receive an award at Thursday's worship.

Flag Football – Is a description really needed?!

Gun Safety / Paintball Target – This year we are combining two Kids Camp favorites into one option. Campers will be taught basic gun safety and then spend time on the range shooting paintball guns as well as BB guns.

Kitchen Kaos – What's cooking? Come see if you can handle the heat.

Operation Comfort – *Operation Comfort* is a ministry opportunity designed to show the love of Jesus to hurting and scared children. Those who sign up for this option will have the honor of delivering stuffed animals donated by our own campers to local police departments and fire stations. (Campers must have their parent's permission in order to leave the Carson Springs campus.)

Splish Splash – Water! Water! Water! Prepare to get wet!

Trained To Sit (5th and 6th graders only) - A checklist for boys and girls to prepare them for the responsibilities of child care and babysitting.

Fun in the Sun 2017

Option Descriptions for **Thursday**

Art/Tie Dye – A *Fun in the Sun* classic! Campers will create a tie-dye project to take home.

Beautiful You - Learn how to be more beautiful on the outside *and* inside. Fashion, makeup, beauty secrets, health care for our body and much more will be taught.

Build It / Race It – Campers can choose to build either an ambulance, fire truck or police car and then race to see who will be first on the scene.

Duct Tape Crafts - Just as the name suggests, campers will use the most universal product known to man to produce various craft items.

Gymnastics – Jump, flip and tumble your way for an hour of fun and excitement.

Henna Art - Henna is an ancient art-form where temporary designs are applied to the body. Learn how to use this unique art to tell the Gospel and the story of Jesus. For more information, Google Henna Evangelism. (Campers must have their parent's permission in order to participate.)

Scatter Ball – This game is played in the gym and has been a hit since Bro. Adam introduced it. Think of a cross between dodge ball and freeze tag. Search for Scatterball on Youtube to learn all about it!

Throw A Party - Have fun planning and decorating for a party with a theme prepared for you. Campers will choose games to play, prepare and enjoy snacks, and learn the art of being a good host and hostess.

Ultimate Frisbee – Think football... now add a Frisbee instead of a ball. This great team sport allows all players to participate.

Weird Science – You don't have to love science to love this option! Weird science is all about fun experimental games and activities using safe ingredients. Be warned... *something will be blown up!*
