HBA Block Party Rules and Regulations

- Only Holston Baptist Association churches are allowed to reserve Block Party Trailer.
- The Block Party Trailer is to be used for evangelistic/community outreach only. This means that your church has publicized this as a public event through promotion of various means.
- Before reservation can be confirmed the church must complete the request form and pay the \$100 reservation cost AND the \$400 security deposit in separate checks. You will receive the deposit back if the Block Party Trailer is clean and nothing is missing or broken.
- Every HBA church has the right to a “first come, first served” two-day reservation once per quarter. Every request after that must be approved by the block party trailer team.
- The Block Party Trailer can only be reserved for a maximum of 2 days. Trailer may be reserved for additional days if the trailer has not been reserved by anyone else within 2 months of the requested dates for an additional \$100 rental fee and \$400 security deposit per day.
- Trailer reservation is \$100 for 1 night/2 day reservation. Each additional day is \$100. This fee helps to cover cost of trailer supplies/stock (popcorn, cotton candy mix, etc.) and also maintenance on trailer and equipment.
- The Trailer is stocked for an event of up to 150 people. If the expected attendance is more than the church reserving the trailer is responsible to pay for extra supplies.
- Reservation cancellations for any reason other than bad weather within 48 hours of event will be charged \$25 but refunded the remainder.
- Churches are responsible to provide proper vehicle to tow trailer. Example of proper vehicle minimum size is a F-150 or Chevy 1500.
- Each church reserving the trailer is responsible for the proper clean-up of all trailer equipment.
- Trailer must be returned in the condition described in Block Party Trailer Instruction Guide.
- The church reserving the trailer will be held responsible for any damage done to trailer or equipment during their reservation.
- The Block Party Trailer must be returned to the HBA no later than 11:00 a.m. the following day of use.
- Churches may pick up the Block Party Trailer at 12:00 p.m. or later the day they will be using the trailer.
- Churches are not allowed to pick up/drop off trailer to/from other churches. The Block Party Trailer must come back to the HBA to be checked.
- Failure to uphold these rules and regulations may result in loss of privileges in using trailer.
